

TIM ELMORE

Tim Elmore served for twenty years under John C. Maxwell before founding Growing Leaders in 2003, an Atlanta-based non-profit organization created to develop emerging leaders. The author of multiple books, he is committed to equipping the next generation of leaders to not only be “ready for real life,” but to be life-giving as they lead. Since 2003, Growing Leaders has equipped 2.7 million students with leadership qualities and skills to be emotionally intelligent leaders. Elmore speaks to businesses, universities, sports teams, secondary schools, and non-profits both in the U.S. and in fifty countries globally. His themes include leadership, serving on a multi-generational team and how to engage the emerging generation. His elevating goal is to equip one percent of the world’s youth population to serve as life-giving leaders in their communities

RESEARCH

Primary research includes both quantitative and qualitative studies. Quantitative research has been done by Growing Leaders and in cooperation with the Harris Poll Interactive. Qualitative research includes focus groups annually from 2003 to the present. In addition, the research in books and articles has been collated primarily from the Pew Research Center, Gallup, McKinsey, Northwestern Mutual Life, the Center for Creative Leadership, the Scholar Connection, Education Week, the Chronicle of Higher Education, University of Pennsylvania, New York University, and the Harvard Business Review among various other secondary sources.
